

## **SXU ART & DESIGN PORTFOLIOS AND SCHOLARSHIPS**

**DEADLINE: JANUARY 19<sup>TH</sup>–3pm**

### **Annual Art & Design Portfolio Deadline**

All SXU Art & Design Majors are **required to submit a new digital portfolio** showcasing their best artworks every year for departmental review.

The student portfolios will be reviewed by the faculty for the following two reasons:

1. To assess your progress through the Art & Design Department
2. To award a wide variety of Art & Design Scholarships

### **Portfolios—Required**

Failure to submit your annual portfolio to the Art & Design Department by the above deadline could:

- Result in the forfeiture of all future Art & Design Scholarships
- Potentially result in dismissal from the department

### **Scholarships—Optional**

If you wish to receive any scholarships you must follow both the portfolio instructions and the scholarship criteria very carefully. Both the quality of the work and presentation will be assessed.
